

Recommendation of TSC on
Pre-bid meeting for procurement of "MultiJet and ThermalJet Extrusion-based 3D Bioprinter"
Venue : Saranjamsala, CSIR-AMPRI, Bhopal
Date : 11-06-2024 Time : 3.00 PM onward

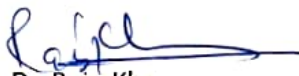

A Prebid meeting was scheduled on 11-06-2024, 3.00 PM onwards, the following party has participated for the Prebid meeting.

- (i) Mr. Venkatesh Voleti, M/s Biotorn Healthcare India Pvt. Ltd, Mumbai.
- (ii) Email representation from Mr. Surender Singh, M/s ATCG India, New Delhi.

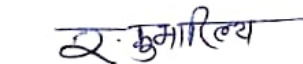

After detailed technical discussion and email from the above-mentioned firms. The following minor changes in the technical specification of the tender documents are made.

Sr. No	Tendered specification	Revised specification	tendered	Reason for revision
25.	3D pipette compatible with standard pipet tips including clear or black (conductive) with different capacities.	3D pipette compatible with standard pipet tips including clear with different volumes capacities. (1000 tips set)		As pe the email from M/s Biotorn Healthcare India Pvt Ltd (attached Annexure-A), change in the specifications do not affect end use requirement of product.

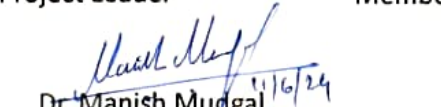

We shall abide by the Code of Integrity and Conflict of Interest for Public Procurement as per para 3.2.1 of CSIR Manual 2019.
